### Pastor Given Birthday Party

The members of the Methodist society to the number of about two hundred gathered at the church parlors Monday evening, the occasion being a surprise birthday party for the pastor, Rev. W. T. Best. The arrangements were so well carried out that the affair was a complete surprise to the guest of honor, who went to church at about eight o'clock to attend a meeting of the Delta Alpha class, when he found a large company assembled, the rooms being prettily decorated for the occasion in red and green, the arrangement resembling a roof garden. The full significance of the occasion did not occur to Mr. Best until he was presented with carnations, the number corresponding to the years of his life.

The evening was most pleasantly spent, a musical and literary program being an enjoyable feature, including pipe-organ selections by Harlie Wilson, piano solos by Marion Benson, vocal selections, Mrs. Ila Niles Jackson, two songs, J. A. Waite, recitations, T. B. Ellis, piano duet, Mrs. C. H. Raymore and Mrs. A. W. Waite and piano trio by Mrs. Waite, Mrs. Raymore and Miss Reba Skinner.

In behalf of the company H. Waite presented Mr. Best with a large Webster's dictionary and stand. Refreshments of ice cream and cake were served by the Philathea class. A birthday cake, made by Mrs. Will Warren and decorated with candles, was presented Mr. Best.

### The Morrisville Band

Under the able direction of Don Sanders the Morrisville Band has done a vast amount of hard practicing the past winter and is now better than ever. The younger members have taken hold finely and the improvement in all directions is decidedly noticeable. It won't be long before the open air concerts will begin, as we understand the first appearance will be Memorial Day.

### The Masonic Temple

The Morrisville Masonic Temple movement is progressing finely. The fund is now nearing \$8,000—thanks to the generous subscriptions from home people as well as those from outside. The neighboring towns have done finely. Hyde Park, Johnson and Stowe are entitled to special credit. Generous subscriptions have come in from far away friends—among the latest being \$100 from H. S. Wilson of Oregon, a former Morrisville boy. Others are joining in the move and the question now is, Have you taken a part in this worthy enterprise? If not, get in touch at once with the committee.

### Public Horse Sheds

If Morrisville wishes to get into the good graces of those who come here to do trading and transact business she can do it in no better way than to provide some suitable place for people to put up their teams. The Methodist church sheds and a few other places are used, but invariably they are crowded and it is almost impossible to find a place in the village to hitch a team for a short time. The sheds that are available are in a dilapidated condition and it would not be surprising if the Health Officer should get after them and pronounce them unsanitary. A string of sheds, properly built and properly taken care of, would not only be the means of drawing trade here, but would incur the lasting praises of those who now find it impossible to get their team under cover while here to trade. Let there be a move in this direction.

### St. Johnsbury's Exposition

The merchants and manufacturers of St. Johnsbury are arranging for a big industrial exposition there May 17-20, and the space is all engaged in a big two story manufacturing plant for the exhibit of St. Johnsbury products and the wares of St. Johnsbury merchants. A number of interesting features are scheduled for the week, including an automobile parade, a civic parade, a procession of antiques and horrors and two ball games. Over 100 exhibitors have engaged space for this show and many interesting features will be seen from day to day. The Exposition building will be decorated by professionals and filled with a varied exhibit of home products, as well as many others from all parts of the country. It is planned to make this both educational and entertaining and thousands are expected to visit St. Johnsbury that week.

### Death of "Wick" Fields

The many friends in Morrisville of "Wick" Fields learned with regret of his death, which occurred in North Wolcott last week Wednesday, at the home of his niece, Mrs. Sanford Place, where he had made his home for some time. He had been in poor health for several years and his condition failed rapidly for the last few weeks.

Wilkinson Ebenezer Fields was born August 3, 1839, and was therefore nearly 77 years of age. He lived in Morrisville about 25 years. He was a genial, kind-hearted man, and easily made and retained friends. These characteristics were not dimmed by old age and infirmities, and he will be pleasantly remembered by a large circle of friends.

Besides his niece in North Wolcott, he is survived by a niece, Mrs. Newland, the wife of a Newport physician, and Mrs. E. H. Borden of Durato, Calif.

The funeral was held Friday from the home, Rev. R. D. Cranmer officiating, and M. H. White having charge of the funeral. Burial was in Pleasant View Cemetery.

### Splendid Y. P. S. C. Meeting

A very interesting meeting was that held at the Cong'l church last Saturday evening in the interest of the Y. P. S. C. E. movement. The speakers were William Shaw, L. L. D., of Boston, general secretary of the United Society of Christian Endeavor, who had for his theme "Mobilize, Vitalize, Evangelize," and C. C. Hamilton, field secretary of the Ohio State Union, who spoke upon "The World Program in Christian Endeavor." Both speakers were decidedly interesting and spoke very encouragingly of Christian Endeavor work. There was a good attendance, several being present from Johnson, Jeffersonville and North Hyde Park. From this place the speakers went to Randolph for a similar meeting Sunday evening.

Mrs. J. M. Kelley was a visitor in Burlington last Monday.

The Col. McFarland prizes speaking last evening was well attended. The prize winners were: 1st, Waldo Buckham; 2d, Harold Stewart; 3d, tie between Freda Hurlbut and Noyes Stevens. All the participants acquitted themselves finely and showed careful training and thorough preparation. Although she did not win a prize Glenella Foss deserves special notice for the exceptionally good manner in which she rendered her piece. The judges were Prin. Davis and Prof. Siple of Johnson and Miss Albertson. The program is given in full on page 3. Prof. Crosby, Dr. Leach and Mrs. Crosby rendered several instrumental selections, which added to the interest of the occasion.
